

TEN MILE BANK RIVERSIDE ACADEMY SPORTS FUNDING 2017 – 2018 (APRIL)

Total number of pupils	28
Funding 2017 - 2018	£16, 320

Proposed allocation of funding 2017 – 2018 sports, PE and promoting healthy lifestyles

The Sports Funding was allocated (will be spent) against:

- A swimming coach in order to match coaching more precisely to the swimming ability.
- To pay for regular fitness sessions in Spring and Summer terms
- To engage parents in fun, sporting activities
- To train staff in order to provide higher quality PE lessons
- To take part in the Legacy Challenge (improving health and fitness of all children)
- To take part in OMNES Games
- Resources to support sport and PE during lunchtimes
- To purchase federation team kit to excite children about taking part in competitive events
- Transport and additional staff so children can take part in competitive events and festivals, engaging with other young people in the area

Objectives

- the engagement of all pupils in regular physical activity
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Impact

All pupils have participated in additional physical activities to increase fitness across the school. Many children have attended after school sports clubs which have been provided free of charge to pupils including the following: gymnastics; hockey; military fitness; football. The profile of sport has been raised by the purchase of school kit for participants in sporting events to wear. A high proportion of children have participated in competitive events this year. Play time physical activities have increased following the purchase of resources.

Monitoring

The PE/Sports Subject Leader will oversee this in partnership with the Head Teacher who will look at the impact and progress sports funding has had on pupil progress and involvement.

Swimming

Children across the school will be swimming in the Summer Term. The report will be updated with the number of Year 6 who are able to do the following, once the sessions have taken place:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively
- perform safe self-rescue in different water-based situations
-
