## From the Head Teacher

Dear All,

Another busy week has finished at Hilgay. I would like to say thank you for the support that you, the parents and carers, have shown the school with all of our many events. Next week is another busy one with 4 children from Barn Owls, together with 4 children from Oaks class, attending the Badminton Festival at Lynnsport. We have flu vaccinations on Monday for Reception to Year 4.

Regards,

*Sarah Turner*

Head Teacher

### PEGI RATINGS

The rating on a game confirms that it is suitable for players over a certain age. Accordingly, a PEGI 7 game is only suitable for those aged seven and above and an PEGI 18 game is only suitable for adults aged eighteen and above. The PEGI rating considers the age suitability of a game, not the level of difficulty.

Baking for Children in Need.

**A**ll the children have been busy in the kitchen making biscuits, cakes and lots of lovely treats for Children in Need.

**We will be selling the lovely goodies after school today so please bring your pennies so we can raise lots of money for Pudsey!**

## CHILDREN IN NEED 2017

### SPOTS AND SPARKLES!

What a lovely surprise, Pudsey decided to pop in and have some fun with the children who looked very spotty and sparkly. Pudsey's bucket was very heavy with all your donations. Thank you.

## Remembrance Day

On Friday, we walked down to the church and laid a small wreath to remember those that lost their lives. The Acorn class made a beautiful wreath using their hands to create poppies. Thank you for all the contributions made to the British Legion Poppy Appeal.

## Festival of Light

Tuesday KS1 children from Hilgay popped over the river to work with our KS1 children. The theme was Festival of Light, The children were split into different groups to make Firework pictures using the wax relief method, 3D rockets and used paint to print beautiful firework pictures. It was a great day with lots of wonderful works of art and craft.

## Omnes Games

Oaks had a great morning learning Badminton skills in the Hall. It is part of a new programme called Omnes Games and the children will get the opportunity to try different sports events like Volleyball, Dodgeball, New Age Kurling, Archery and much more. The whole class will participate, then 4 or 5 children will go on to a Festival with other schools.
