Federation Day - Tuesday 20th November

On Tuesday the children in KS2 had the opportunity to spend a day of learning together in the context of a WW2 themed day. The children took a closer look at WW2 memorabilia, creating detailed sketches. They've used their computing skills to do further research on their topic and to put their findings into a Powerpoint presentation. They also had the chance to do a hands-on activity, building mini Anderson Shelters out of wood.

The guests of the event, School Governor, Mr Ray Houghton, former merchant seaman/evacuee, Ken Frost helped the children get a better understanding of what life was like during WW2.

Many thanks go to Mr Attila Molnar (carpenter) who taught the children how to work wood; Mrs Di-Giulio (parent helper) for lending a helping hand and talking about soldier heroes; Mrs Annan (parent helper) for giving up her free time to help the children with the woodwork. The school also thanks the Friends of both schools for their financial support in paying for the resources for the miniature Anderson Shelters.
