## Design Technology at DMA

Following on from their visit to Denver Lock, children from year 5&6 were invited to Downham Market Academy to design and make their own land yachts out of wood. When completed they used a fan to see how far the yachts travelled across the hall.

## We Love Maths

This week please complete **Activity 6** and return the signed book to school on **Tuesday 9th July.**

## Head lice

We still have reports of head lice in school. Please check your child's hair and treat if needed.

## Sports Day

Both Sports Days were held this week and were fantastic fun. The children worked well in their families with the older children helping the younger ones. Thank you for coming along to support the children.

## Denver Lock

Children from KS2 went to the Denver Complex on Wednesday where they learnt about how the lock works and water safety. They were told of the dangers of jumping into the river on hot days.

The children also had the opportunity to go on a boat ride and some saw a seal!

It was a very informative trip and the weather was kind too.
