January 2018

From the Head Teacher

Dear all,

Happy new year!

It is lovely to welcome back the children and they are already working hard. This week I have seen Year 6 tackling BIDMAS in maths, Owlets class looking at different materials and Key Stage 2 children describing a fictional animal and its adaptations.

We have many events coming up this term including book week, science week and number day. We will send further details of these events in the near future. I am pleased to see lots of children enjoying healthier snacks at playtime and we have lots of sports events, sports clubs and new sports sessions happening throughout the Spring term too.

Regards,

Sarah Turner

Head Teacher

Barn Owls - Ramsey Plough Festival Monday 8th January

As part of the dancing and acting that Barn Owls have been doing with the Noted Liars group, they have been invited to participate in the Annual Plough Festival in Ramsey, Cambs.

The children will be dancing their way round Ramsey, finishing on the Village Green.

Photos will be posted on the next newsletter

Just a small reminder that the school is closed on

Friday 12th January for staff training.
