January 2018

From the Head Teacher

Dear all,

Happy new year!

It is lovely to welcome back the children and they are already working hard. This week I have seen Year 6 tackling BIDMAS in maths, Acorn class colour mixing with paints and Key Stage 2 children describing a fictional animal and its adaptations.

We have many events coming up this term including book week, science week and number day. We will send further details of these events in the near future. I am pleased to see lots of children enjoying healthier snacks at playtime and we have lots of sports events, sports clubs and new sports sessions happening throughout the Spring term too.

Regards,

Sarah Turner

Head Teacher

Oak Class - Noted Liars

The children will be popping over to the Hilgay to watch a performance from the Noted Liars group who have been working with Barn Owls since September.

The Noted Liar group tell stories about the Fens and surrounding area through the medium of dance, singing and acting. The children will present their performance to parents, and then later in the year will perform at the Corn Exchange with other schools.

The children in Oak class will be working with the group from Thursday 18th January.

Just a small reminder that the school is closed on

Friday 12th

January for
staff training.
