Project Godwit

Children from Owlets and Acorns had the opportunity to hear about the Godwit Project, which is to restore the rare bird, the Black-tailed Godwit. The children learnt about the bird and how to become a Godwit Guardian.

Jess Owen from Welney Wetland Centre will be back to visit the older children in a few weeks time.

British Weather

The warm weather has arrived at last! Please apply sun cream to your child before they arrive at school and ensure they have a hat.

Your child may need a rain coat too as the British weather is unpredictable!
