Dear all,

As we come to the end of the long and busy autumn term, it is a pleasure to reflect on all the wonderful things that have happened across the federation. Our children are making great progress across the curriculum; they have acquired new knowledge and skills. All pupils have embraced new opportunities from the adventurous residential to badminton at the Omnes games to drawing with a professional illustrator. They have risen to the challenges of learning fractions, new reading skills, investigating in science, performing in the Christmas play or playing the guitar. In the new year we will continue to provide opportunities; deliver challenge and build respect with all of our pupils.

I would like to take this chance to thank everyone for the kind gifts, cards and Christmas wishes that we have received as a staff and I would like to wish you all a very Merry Christmas and a Happy New Year.

Mrs Sarah Turner

Finally, we say goodbye to Daniel P as he moves to a new school. We wish them all good luck and best wishes.
